

North Kansas City Hospital (NKCH), located in North Kansas City, MO, a 451-bed, not for profit full service Hospital, has partnered with Witt/Kieffer on the recruitment of its next Senior Vice President and Chief Financial Officer (CFO).

North Kansas City Hospital (NKCH) is a 451-licensed bed, not for profit, Joint Commission accredited, full service Hospital located in North Kansas City, Missouri. It has served the residents of Northland for over 50 years. The Hospital is a metropolitan medical center which offers five Centers of Excellence in cardiac care, cancer, orthopedics, emergency, and women's health.

The successful candidate will be a servant leader and will establish personal and professional credibility. This leader will demonstrate high engagement and strong interpersonal skills with members of the senior leadership team, management, clinical colleagues, front line staff and community groups. Reporting directly to the Chief Executive Officer, the CFO will have responsibility for setting and executing on strategic plans with regard to cost containment and strategic growth. The CFO is a key executive position and is part of a dedicated leadership team.

The incoming CFO will work with the Board leadership, including the Finance committee, and advise the senior executive team on investment strategies, the annual budgeting process, financial forecasts, projections, market data and third party reimbursement. NKCH is seeking candidates with seven to ten years of progressive financial management experience, and successful track record in bringing organizations to the next level through an innovative approach to optimizing the hospital's role in the market and its overall financial performance.
