

POSTED 01-04-19

CHIEF FINANCIAL OFFICER/CORPORATE
COMPLIANCE OFFICER

Brown County Hospital, designated a Top 100 Critical Access Hospital in 2018, is seeking to hire a full time Chief Financial/Corporate Compliance Officer. The successful candidate will have overall responsibility for providing leadership, direction, and administration of financial activities, including general and patient accounting, health information and materials management, financial systems and controls, financial analysis, budgeting and reporting, while maintaining a high level of visibility in the facility. Will oversee all ongoing activities related to the development, implementation, and adherence to the hospital's policies and procedures covering compliance. Bachelors degree in Accounting or Finance required. MBA, CPA or previous healthcare experience preferred. Must have strong leadership qualities with vision to facilitate change to meet healthcare needs of the community. If you are a "team player", highly motivated and dedicated to continuous quality improvement you may be a candidate for this position. A competitive benefit package is offered that includes health insurance, group term life and long term disability, dental/vision insurance, pension plan, flexible spending program, and an attractive personal leave time program. Contact Lisa Fischer - Human Resources or John Werner, CEO for further information (402) 387-2800.
